### DROPBOX ACCOUNT / WORKING EMAIL ADDRESS

Larisa creates online Dropbox private folders for each student to send and receive assignments, background music and recordings (mp3 files) securely. Each student must have access to a working email address and an existing Dropbox account (free at [www.dropbox.com](http://www.dropbox.com). There is also a free Dropbox app.)

2. *Vocal Technique – A Guide to Finding Your Real Voice, By Dena Murray*

### PERFORMANCE PRACTICE (OPTIONAL)

Larisa provides student performance opportunities 3-4 times per year, either via recitals at her studio, or at local all-ages live music venues. Regular monthly tuition includes participation in these events if appropriate. Larisa is also available to all students (with paid tuition) for vocal advice outside of the regular weekly lesson, via phone, text, or email, at any time.

### MISSED LESSONS

If you have to skip a lesson for any reason, please see the tuition and attendance policies below. As a courtesy, please text or call Larisa right away to let her know that you'll be absent.

## TUITION AND ATTENDANCE

**LESSON TUITION: \$120 per month** must be paid in advance, either via personal check made out to **Larisa Bryski**, Paypal ([larisa@larisabryski.com](mailto:larisa@larisabryski.com)), or by credit card at the first lesson of each month. Paid tuition reserves your weekly lesson time regardless of your attendance. Four half-hour lessons per month. PLEASE BE ON TIME. Two weeks' notice is required to stop lessons.

***Rescheduled lessons are subject to availability and cannot be guaranteed. Lesson spots cannot be "held" for extended absences without paid tuition. Occasionally, Larisa will have to miss a lesson as well. If this happens, either a credit or rescheduled lesson will be offered. TWO WEEKS NOTICE IS REQUIRED TO STOP LESSONS.***
